

Dear Parents, Pupils and Staff,

Life at Arthur Bugler is always extremely busy and the past week has been no exception!

Last weekend 41 children in Years 5 and 6 had the fantastic opportunity to experience an England international football match at Wembley. All of the children had an enjoyable day and their behaviour was outstanding. It was a long and busy day but an experience that they will remember for years to come. As you can see,

there was also time for one of my famous 'selfies'. My thanks go to the staff that looked after the children throughout the day to ensure they were safe and had a great day.

On Monday the children in Year 3 walked to St Margaret's Church, in Stanford, to deliver all of the food donated to the foodbank. I could not believe just how much was donated and it will go to such a worthy cause. Thanks once again to everyone that donated food. As you can see in the picture, the church floor was covered. A special thank you to Mrs Finch for helping transport the food as there was too much to carry!

Thanks to a group of volunteers, we now have our school pond back! Some of you may not be aware that there is a school pond off the school car park. It was overgrown which meant it could not be accessed by anyone. As it is Science Week in school next week, Miss Reeve wanted the children to experience pond dipping but it was unusable. After a day's hard work, from members of our wonderful community, it now looks great! A huge thank you to everyone involved!

The children in Year 3 lead the school's Harvest celebrations on Tuesday and Wednesday afternoon. After lots of songs and the reading of poems, the children ran some activity stalls for everyone to take part in. It was lovely to see the children work with money as young entrepreneurs raising money to buy more food for the foodbank. Thank you to all of the parents for supporting this event.

The children in Early Years and Year 5 took part in their road safety walks on Thursday and Friday and despite getting wet they enjoyed learning about the importance of being safe when walking around busy roads. As a school we value the importance of these walks as being safe when walking outside of school is an important life skill.

Next week is 'Science Week' in school and the staff have been working hard to plan some exciting and engaging activities for the children – I am sure it will be a week they remember!

Have a lovely weekend!

J. A. Bryant
Headteacher

	This week the Attendance Bears have been awarded to			
	KS1	Class 4	Mrs M^cAllister	98.5%
	KS2	Class 9 Class 12	Mrs Livingstone Miss Reeve	98.1%
	<i>Congratulations to all classes!</i>			
	Whole School Attendance		96.9%	

	Movie Night
	<p>Please note that the film for Years 4, 5 & 6 has been changed to 'Goosebumps' because 'Ghostbusters' has been re-classified as a film suitable for those over 12 years of age. Apologies for any inconvenience caused.</p> <p>Please also note that if your child has a club that night, they must still be collected promptly before going to the Movie Night.</p>

	Science Week
	<p>Next week is our very first 'Science Week' in school. There will be lots of exciting activities in school. Please make sure you ask your children about the activities, visits, experiments and investigations they will be taking part in throughout the week.</p>

	Poppies at St Margaret's
	<p>All of the children in KS2 have made a poppy for the church. Next week the children in KS1 will make their poppies before they go on display for the whole community to see. A huge thank you to Mrs Sear for leading this event every afternoon this week.</p>

	LETTERS SENT HOME THIS WEEK
	<p>Science Week – Years 1 – 6 – 12th October 16. Phonics Feedback & Science Week – EY's – 14th October 16 sent by ParentMail.</p>
