

Dear Parents, Pupils and Staff,

Another busy week...teachers have been extremely busy working on reports and preparing children for sports day. Final arrangements for transition week are being sorted and as soon as I have further information I will let you know. There is so much to do between now and the end of the year. The Summer term is always a busy one!

This week the Year 2 children finished completing the SATs test after two weeks of working hard to do their best. These tests are slightly different to those taken by Year 6 as they are used to support Teacher Assessments. I must congratulate all of the children for taking them very seriously and showing all that they know. I always say to the children "don't try to be the best, be the best you can be". I am proud that they all listened to this advice – well done to all involved.

I could tell it was class photos for the children in KS1 on Tuesday as everyone looked so smart. There wasn't a hair out of place! It was lovely to see lots of smiles and I am looking forward to seeing the end product. A few parents asked about photos for the KS2 classes and I have arranged for the photos to be taken next week – Tuesday 16th June.

The last thing to mention is that the children have a beautiful frame that they will pass onto Ms. Karen Phillips as a leaving present from all of the children and the PTA. Inside the frame is a heart that each child has written their name on. A wonderful gift that I am sure Ms. Phillips will love and cherish for years to come. Once she has received it I will let you know what she says.

Lost Dog

I am really pleased to share a lovely story regarding some boys in Year 6. Whilst playing out last night the boys came across a lost dog, rather than just leave it they took it to the local vets after seeking some help from a known adult. Later that night someone posted on a social networking site that they had lost their dog. Fortunately, it was the dog the boys had found and the owner could be reunited with his pet. As Headteacher, I was so proud of the boys involved as they shold the school's 'Core Values' outside of school – WELL DONE BOYS!!!
