

Dear Parents/Carers, Pupils and Staff,

1 week to go!!! As ever, the last few weeks before the end of the academic year are always extremely busy and this week has been no exception.

The children in Years 3, 4 and 5 impressed everyone with their work in their end of year celebrations. A range of talents were shown from singing, playing musical instruments and a very impressive exhibition run by the children. These are always a lovely way to end the year highlighting all of the wonderful things the children have done throughout the year. I know that the children really enjoy showing off their many talents to their parents/carers. My thanks to all the staff who work hard to put these together at such a busy time of year.

On Tuesday the music department from Gable Hall took over the school and performed their many musical talents to the children in Key Stage 2. This is always a very popular event and every year and I am impressed with the talented children from the school. The staff also like seeing ex-pupils come back to the school to show that they have continued to shine. I am sure we will see many more children in the future who are former Arthur Bugler pupils.

The cricket teams took part in the Orsett Cricket Festival on Wednesday afternoon and not only did they enjoy the afternoon, behave impeccably but they both won all of their matches to win their respective groups. The quality of cricket was fantastic and the children performed to such a high standard. The cricket season has almost come to an end and the A team have one match remaining which is the cup final against Deneholm which is scheduled to take place next week. Good luck! I would also like to thank Mr Heard for running the teams this year. So many children have enjoyed the training and matches he has organised this term.

On Wednesday evening our award winning choir took centre stage at the Thurrock Music Festival. The children performed to such a high standard and their behaviour was commendable. The singing was delightful and I was so impressed that they managed to stay on stage for such a long time in very warm conditions. I am already looking forward to next year's event.

The children in Year 2 were presented with their dictionaries from the Rotary Club this week. This is such a lovely tradition for the children and a lovely way for them to end their time in Key Stage One. I am sure the children were keen to show them to you when they got home!

The Borough Olympics team took to the track and field on Thursday to take part in this year's competition and all of the children worked hard and performed to the best of their ability. A number of children picked up medals in their events and the team finished 6th overall. Our school was once again represented the school perfectly and staff from other schools commented on how polite they were. Well done to all of the children and a huge thank you to Mrs Fenner and all of the staff who took the children to the event.

Have a lovely weekend!
