

Dear Parents, Pupils and Staff,

Another action packed week at Arthur Bugler!

I have given a number of children a Headteacher award this week and I am pleased to announce that Phoebe Harrison was the first girl to receive one and Henry Hill was the first boy. Phoebe was also the first child in the whole of the school! Well done to all children who have impressed their teachers over the past 3 weeks – I have been so impressed with the children’s attitude. Children can earn a Headteacher Award if they are put onto the ‘Rainbow’

in EYFS/Key Stage One. Children in Key Stage Two earn one for doing something that has really impressed an adult in school of for consistently showing the core values or working hard. These are just a few examples and it has been lovely to find out some of the wonderful things the children are doing in class.

Earlier this week, we presented the first ‘Star Writers of The Week’ with an Arthur Bugler pencil. One child in each class will receive this award every week and they will be presented with their pencil on a Monday in assembly. The work is displayed in class for all of the children to see.

It was lovely to see so many parents attend the ‘Harvest afternoon’ in EYFS this week. When I went into the hall everyone was busy trying lots of new activities – I also saw some lovely hats! The children in EYFS have settled so well into school life and you would have thought they had been here for years! I look forward to next week as they begin attending school all day.

There was a PTA meeting on Tuesday and we have arranged lots of exciting plans for Christmas – it will be here before we know it! Please check the diary dates for the key dates and for further information. There were a few new members and I am sure the events will continue to be a great success. I also met with the Sports council last week and we have set a number of dates for some clubs and key events that the school will enter. Letters for these will be sent out over the coming weeks.

Don’t forget that there is an information session about the new behaviour system in school. This will take place at **6pm on Monday 28th September 2015.**

Have a lovely weekend!

Parent Mail

Most of you would have received a text message asking you to sign up to the new parent mail. This newsletter has also been sent out today by parent mail, **if you have registered with parent mail** please check your emails. Like all new things we are having a few minor problems with setting up an account. If you have any problems then please inform the office so they can look into the issue for you. Thank you in advance for your patience.

Tubs 4 Tablets

Please look out for special Flora tubs as the school can collect these and exchange them for a 'Tablet' to be used in school. Please hand all tubs to the office. We need 50!

Dojo

Some parents are still having difficulty logging onto the Dojo app. As a result the ICT Suite will be open after school on **Monday 28th September** and Mrs Dodd will be available to provide support and guidance.

Sports Council Money

You may remember that the sports council raised some money at 'Sports Day' last year. With this money the school purchased a number of key PE accessories such as bean bags, balls, hoops and skipping ropes. A long jump mat was also purchased to use in KS2. Thank you to everyone involved.

Christmas

The Christmas Fete will take place on Friday 4th December after school (3pm – 6pm). Please get in touch with the PTA if you would like to run a stall or if you can offer any help. There will be a 'Santa's Grotto', refreshments and a BBQ. The choir will be singing at the event and there will be lots to do for everyone.

KS2 Christmas Performance

On Thursday 10th December the school will be performing in the local Church. In the morning Year 5 will be performing with Year 3 singing. In the afternoon Year 6 will perform with Year 4 as the singers.

More information about exact times will be sent as soon as final arrangements have been made with the Church.

Early Years Admissions

Do you have a child who is set to start school in September 2016 or do you know someone who is looking at schools for next September? If the answer is yes then make sure you come to visit the school on **Tuesday 13th and Friday 16th October** during the day to see the school in 'action'. There will also be an Open Evening on **Wednesday 14th October between 5pm and 7pm**. Please contact the school office to make an appointment.
