

Dear Parents, Pupils and Staff,

1 week to go!

The sun has been shining all week and it really has made such a difference – everyone is smiling more! As we draw closer to the end of term the children continue to work extremely hard and impress me with all of their hard work and efforts. It has been a busy week as the children begin to take part in the usual end of term assessments, some year groups have started this week and some will complete them next week. This is always the perfect opportunity for the children to shine and show how much progress they have made.

I find it hard to believe that this time 2 years ago we began the very first 'Lockdown' as we closed the doors to the school for the majority of children, this also saw the start of the Facebook Lives and daily challenges. That time really has flown by and this will be the first full school year for 2 years!

After a two year absence I am pleased to share that the Thurrock Education Awards are back! Nominations opened for 11 award categories on Monday 14th March at <https://consult.thurrock.gov.uk/education-awards-2022>. You can find further information on this website on each of the award categories and make your nominations using a simple online nomination form. Nominations will close on Sunday 15th May 2022 so please take 5 minutes to celebrate the AMAZING staff at Arthur Bugler and ensure they receive the recognition they deserve!

Next week is going to be a busy one at the Fun Factory with our usual Easter Celebrations and a visit from the Easter Bunny along with Parent/Carer Consultations and the usual end of term fun and games! However, I am sure the highlight of the week will be the Key Stage 2 Discos and I look forward to seeing everyones moves!

Have a lovely weekend!

Yours sincerely,

J. A. Bryant
