

Dear Parents, Pupils and Staff,

It has been a very busy week at school especially for the year 6 children and staff. I have to say that I have been so impressed with the children's resilience, self-responsibility, solidarity and patience. They are real credit to you all and we are very proud of them, so proud we gave them all "best seats in the house" during celebration assembly, received a headteachers award and have been treated to a picnic with ice lollies and treats.

Early years went on their school visit to Barleylands and had the best day! The weather was kind too. Thank you again to those parents/carers who supported the children in making it a great day.

Next week is the beginning of SATs for year 2, its not as formal as year 6 and will be done at a slower pace. We know that they have been working so hard and wish them all the best.

I have had the pleasure of meeting with the PTA again this week, as always I am impressed with the amount of time and commitment the team put into raising money for the extra special things for the school. If you are interested in supporting or joining this great group of people, please come along to the next meeting.

In addition to this they would like to know if you can help to promote the summer fete ,they would like to advertise using sale boards in peoples gardens.For every sign that is used the PTA receive funding. Please contact them if you are able to support.

Yours sincerely,

C Dawson
